LETTER FROM THE NEW GENERAL MANAGER

Our passion is providing a memorable getaway for our guests. First time visitors and many time returners will find the authentic Ranch experience here.

We're excited about the physical enhancements to the property. From the moment you turn off Vulture Mine Road through our new entrance you'll feel like you are someplace special.

We know it's also the experiences and connections with our team that will bring guests back. We've got a thrilling mix of familiar faces and new blood ready to welcome you here. They all have a lot of energy and fresh ideas. We've highlighted a few of the new management team that you may meet within this newsletter. But, if you've been here before, we're sure you'll recognize a face or two during your stay.

You'll also see a few changes we made with our guests in mind. Let us know what more we can do to enhance your experiences.

Need help making reservations for dinner or for a jeep tour? Be sure to stop by our new Concierge desk in the lobby, where they'll be ready to take care of your needs.

We hope you have so much fun you want to take us with you. Or at least a reminder of us from our new Gift shop with an array of great souvenirs, apparel and snacks.

We sure hope you're back in the saddle real soon!

Much obliged-

ABOUT THE NEW OWNERS

Our new owners are like many of you. They have been past guests for years and have many cherished memories of their visits to Rancho de los Caballeros.

They want to preserve the history and legacy of the property, but in their travels, they have seen things that can enhance the experience for guests here. They want to bring it back to what it was before and more!

The owners have a 3-year plan of improvements planned. These are being implemented during the summers, during off-season, so guest stays will not be impacted.

This first year the focus was on cosmetic and functional changes to the property. Most importantly, the ranch kitchen has been fully refurbished with all new cooking equipment and kitchen tools. Chef Jacob Ellis is thrilled to share his exciting menu made possible with these renovations. Exterior enhancements like landscaping, signage, flagstone walkways and walls, a fountain, a fire pit, resurfaced tennis and pickleball courts, a new fitness center and so much more.

Golf - Golf Pro Shop has been refreshed, upgraded the driving range and added new target greens, while the 18 holes have new flags, new bag stands and directional signage, and online booking added.

Horses - Corral redone, horse run upgraded to be more fan-friendly, new saddles, halters, tractor, hayride wagons

and other equipment. Check out Tony's new observation deck at the arena and join us for our Wrangler Rodeos!

Food & Beverage - All new kitchen, menus, and an extraordinary wine selection.

Spa- New hydro-facial machines, new pedicure chairs and linen. Browse the expanded retail selections and enjoy at the new relaxation room with a glass of wine.

Gift Shop- A new gift shop has been added that will feature ranch apparel, gifts, souvenirs, and snacks.

Skeet & Archery - New skeet machines and added archery range and equipment.

Banquets & Events - New tables, glassware, silver, and dishes, along with a refurbished kitchen

Accommodations - New linens and (8) rooms were fully renovated with tasteful décor, all new tile, wood floor, and flagstone surfaces, improved networking, lighting, and furnishings.

We can't wait to share this with you, our cherished guests. We're sure this will help you make lasting memories year after year, just like they did! The years ahead hold even more improvements that will enhance the authentic Rancho de los Caballeros experience and keep the memories alive.

See you soon~ The Cutlers, Martins, and Kempers

WELCOME TO JACOB ELLIS EXECUTIVE CHEF

Chef Jacob Ellis began his culinary career in 2012 at Sanctuary Camelback Mountain Resort & Spa in Paradise Valley, AZ under celebrity Chef Beau MacMillan, where he spent four years honing his skills. In that time, Jacob quickly rose through the ranks and assisted Chef Beau in multiple national cooking events across the country.

After leaving Sanctuary, Jacob moved on to Top of the Rock in Tempe, AZ where he was fast promoted to Chef de Cuisine. Jacob remained at Top of the Rock until 2019, when he was offered the position of Specialty Chef at the acclaimed, Forbes 5-star hotel, the St. Regis San Francisco.

Jacob spent several months fine-tuning his cuisine and skills as a chef in San Francisco, before accepting the Executive Chef position at Oak Tree in 2020.

Jacob has come home to his roots in Arizona and is excited to be the new Executive Chef at Rancho de los Caballeros and start the next part of his culinary journey.

During his time on Oahu, T.J. assisted with the setup and operation of the LPGA Lotte Championship in 2018 and 2021.

While on Lanai, T.J. taught golf to many guests of the Resort, most notably Jimmy Buffett and Pierce Brosnan.

CHERYL STREET
DIRECTOR OF SALES

My passions are hospitality destination development and guest experience, so this is the perfect opportunity.

My most recent resort job was as GEM (Guest Experience Manager) at Bluegreen Resorts Cibola Vista Resort, enhancing the activities and interactions with guests and owners. One of the best events for the kids, Jolly Jurassic Holiday, involved large t-rexes in Santa hats playing games with guests on the lawn. Adults loved the Wine Pairing with Girl Scout Cookies event (girl scouts sold a record number of boxes).

I'm very creative and have a garage full of props from theme parties I've done for non-profit groups.

Much of my experience is in the leisure market, primarily with timeshare properties from the property level (Activities Program) to marketing properties with golf, spas, F&B, beaches and horses in highly demanded destinations across the Americas and Caribbean.

I lived back east as a child (South Carolina, Pennsylvania and West Virginia), but spent most of my years in Tucson and Phoenix, so southwestern hospitality comes second nature.

MARSEY HARPER
ACCOUNTING MANAGER

Hi, my name is Marsey Harper and I moved to Congress, AZ in August of 2020 so my husband and I can be closer to my parents and help them out when needed.

I was born and raised in Colorado, mostly spending my time in Northwest Colorado where I went to High school and met my husband, John. We have one child together who still lives in NW Colorado.

I have been office manager for various industries over my 30-plus-year experience including a payroll software company, electrician contractors and foundation contractors.

I really love the weather here and this opportunity so close to home is refreshing after so many years of long commutes. My husband and I are excited about exploring AZ on our dirt bikes and in our jeep, looking at wildlife and rock hunting and shooting. We plan to stay here a very long time and I'm thankful for the opportunity to be a part of this great company.

1551 S. VULTURE MINE ROAD
WICKENBURG, AZ 85390

*W*e are very excited for all the new happenings at Los Caballeros Golf Club starting with the staff. New Head Golf Professional TJ Orban (see bio), returning assistant golf professional Cameron Potts and new assistant professional Conor Berlin. These gentlemen bring energy, enthusiasm and professionalism to Los Cab that is unmatched in Arizona. An added wrinkle is former head golf professional (1988-1997) Van Batchelder has been coaxed out of retirement to assist in bringing Los Caballeros back to prominence in the Arizona golf world.

Golf Course Superintendent Cale Lang and his crew have been busting their tail all summer on golf course improvements : Enlarging tee boxes and greens, widening fairways and approach areas, tree trimming, building target greens on the driving range and adding a new tee box on hole #17.

The most notable golf course addition is the conversion of hole #17 from a Par 4 to a Par 5. By adding the championship tee box and moving each current tee marker back one tee box Los Caballeros becomes one of less than 400 Par 73 golf courses in the world! This not only compliments our terrific collection of Par 5s, but makes better use of our smallest green, where even a wedge shot can be tricky.

All in all we are very excited to share with you the ongoing improvements on the golf course, the new golf shop merchandise (can you say cowboy boots!) and the ambience that is truly AZ golf as it should be.
